

COVID-19 County Disaster Declarations and Orders

As of April 9, an estimated 219 Texas counties have enacted declarations and orders related to COVID-19. This number does not include counties with declarations or orders not posted on county websites. The following information will be updated frequently. For the most up-to-date information, please go to the relevant county webpage. Visit the ***Texas Conference of Urban Counties' website*** for more information on the urban counties' response to COVID-19.
